ORIGIN

All RUG STAR designs are hand knotted in our manufactures in Nepal with the Tibetan knot and in Rajasthan with the Persian knot. Depending on the complexity of the design they are produced with 100/ 150 knot/inch in Tibetan quality and with 9/9 or 11/11 knot/inch in Persian quality. We use wool from the region of the manufactures and silk.

ORIGIN

All RUG STAR Luxury Tuft collections are produced in China in two different qualities, H850 density and H650 density. H850 density execution is a luxury tuft with an elegant play of color graduation and a rich mix of wool and cotton viscose in pattern and background. H650 density execution is a luxury partial tufted pattern on a cotton background with a 3D (high/low) effect. The tufted elements are produced in cotton viscose and are excellently sculptured in the outlines.
